### **USHST Safety Experts Will Offer 17 Workshops at Heli-Expo 2017**

Members of the United States Helicopter Safety Team ([www.USHST.org](http://www.USHST.org)) will be providing their safety advice for Heli-Expo participants in Dallas at 17 different workshops - - the highest number of presentations its members have ever provided at Heli-Expo.

The USHST promotes safety and works to reduce accidents through a government and industry cooperative effort that has resulted in a 27 percent decrease in U.S. civil helicopter accidents since the organization's inception in 2013. During that same time period, fatal accidents have decreased 43 percent.
