 - the USA
- The IHST also has strong supporters, but no teams as yet in
 - New Zealand
 - Papua New Guinea and Oceania
 - South Africa

IHST

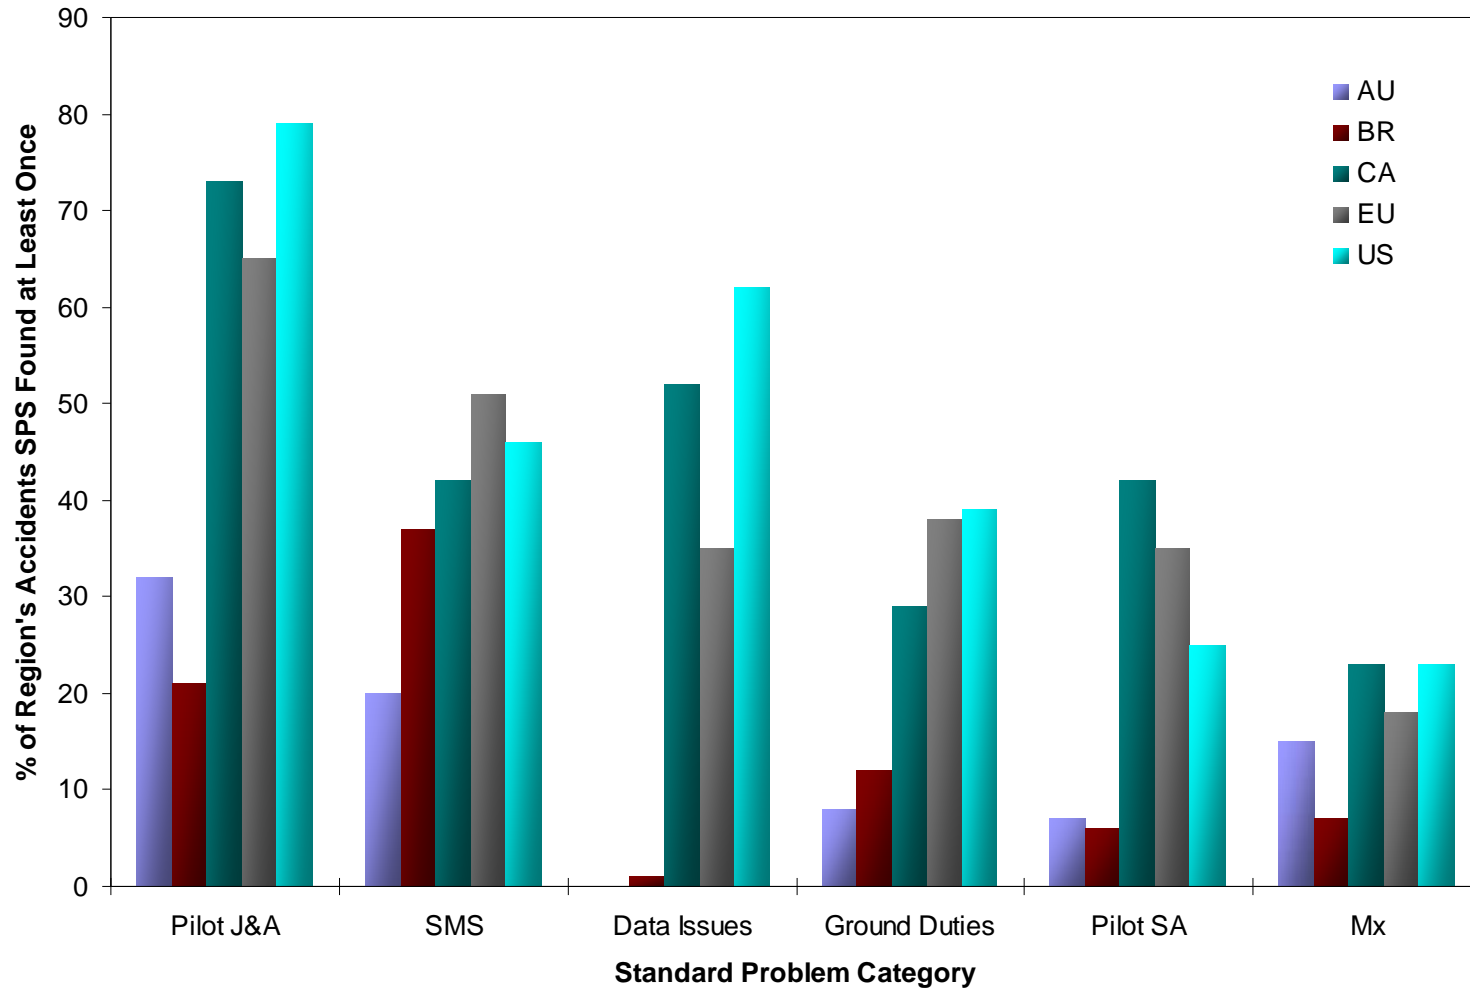

International Helicopter Safety Team
Our Vision: An International Civil Helicopter Community With Zero Accidents

Initial Focus on all Accidents

- Identified top activities and standard problem statements involved in all accidents
- Led to focus on training activities
- Led to toolkits for the most frequently recommended safety enhancements or interventions:
 - SMS
 - Training
 - HUMS
 - FDM
 - Maintenance

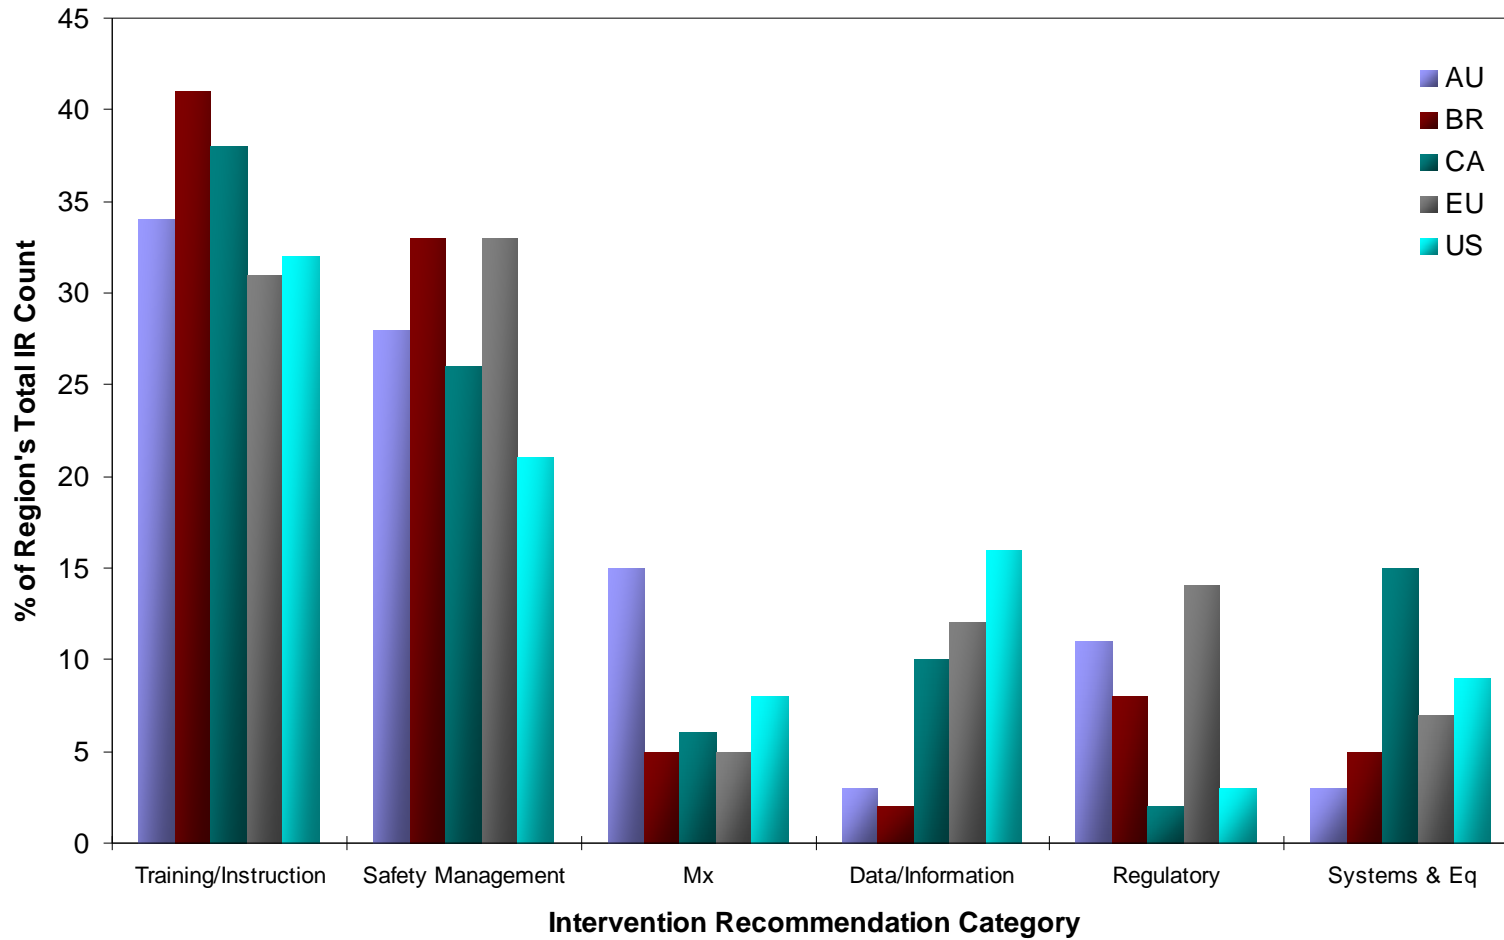

IHST Region-by-Region SPS Data

Top 6 by Overall Frequency (Regional fleets >1000 helicopters)

IHST Region-by-Region IR Data

Top 6 Primary Category Comparison (Regional fleets >1000 helicopters)
